Paul Girvan MLA has asked:

To ask the Minister of the Environment to detail the current planning applications for (i) single; and (ii) multiple wind turbines on agricultural land in South Antrim.

ANSWER

The table attached at Annex 1 details 26 current planning applications for single wind turbines and 1 current planning application for a wind farm on agricultural land within the South Antrim Parliamentary Constituency.

The information was taken from the latest available renewable energy information, fully validated by the Department's statisticians, as of 30th September 2013.
