Mr Allister has asked:

To ask the Minister for Employment and Learning why has the final version of the submission by Stranmillis University College to the Sahlberg panel not been published.

ANSWER

When the call for submissions, under the Review of Initial Teacher Education Infrastructure was made, Stranmillis University College and other potential respondents were advised that a summary report of the responses would be published on my Department's website. The summary report will publish shortly.

It is a matter for Stranmillis University College on whether it wishes to publish its submission to the Review Panel.

DR STEPHEN FARRY MLA

Minister for Employment and Learning
