John,

I refer to my recent answer to Assembly Question AQO 6143/11-15 in which I provided information on the Greystone Road and Broad Road Junction in Limavady. I answered a supplementary question from you enquiring where in the order of events the Ballykelly Bypass now rests.

Unfortunately, due to an administrative error my answer inadvertently referred to the 'A26 Frosses Dualling' rather than the 'A2 Ballykelly Bypass'. I can confirm that the A2 Ballykelly Bypass is included in the Strategic Road Improvement Programme and has been developed to the point where a preferred route has been agreed. Further progression of the scheme will be dependent upon future budget allocations.

I apologise for any confusion. This letter will also be copied to the Speaker, other Members, the Assembly Library, and to the Office of the Official Report (Hansard).
