Dear

PATSY

In the course of answering supplementary questions to AQO 6289/11-15 on 9 June, I agreed to provide you with information regarding how many major capital schemes or further investment infrastructure schemes currently rest in my Department for sign-off.

There are currently eight Capital Business cases logged with my Department, excluding ICT Projects. However, of these, five have been returned to their respective departments so that further information can be provided before approval can be considered.

A copy of this letter will be deposited in the Assembly library for the information of Members.

Yours sincerely

Simon
