8 December 2016  
AQW 7852/16-21

Colin McGrath MLA has asked:

To ask the Minister of Education to list all primary schools with (i) their capacity for pupils; and (ii) the number of pupils they were entitled to enrol for 2016-17.

ANSWER

(i) A school's approved enrolment is set having regard to the physical capacity of the school. Should any school believe it is unable to effectively deliver the curriculum within its existing accommodation, it should discuss options with the relevant managing authority.

The Department is currently undertaking an exercise to review the capacity of all primary schools. The outcomes of this review will be analysed and summarised and DE will develop a categorisation process to enable robust assessment of physical capacity.

This review will not be used to adjust the approved enrolment number of any school and the normal development proposal process for that will continue to operate.

(ii) I have arranged for this information to be lodged in the Assembly Library
