ANNEX A

In the tables below I have outlined the number of bids received from Housing Associations during the 2017-2021 bidding rounds. There are two separate tables for each annual Bidding Round (2017-2021); the first table is broken down by Parliamentary Constituency and the second table is broken down by Housing Association.

Schemes that were submitted as part of the annual bidding round but not subsequently included in the Social Housing Development Programme were generally refused because housing need support could not be identified by the relevant Housing Executive Place Shaper, the proposals were located outside development limits, or there was no likelihood of the development proposals receiving planning approval.

Table 1A: Total no. bids received, total no. bids included in the 3 Year SHDP (2018/19 to 2020/21) and total no. bids not included in the SHDP during the 2017 Bidding Round. Broken down by Parliamentary Constituency.
