Living Wage Employers in Northern Ireland

1 Introduction

This paper provides three maps detailing the location of living wage employers in Northern Ireland.

A review of published information on the Living Wage Foundation website identified 45 living wage employers based in NI. Of these, eight are from Northern Ireland and 37 are national or international companies. These 45 organisations operate from 82 locations across Northern Ireland.

Please note, interactive mapping information for this paper is also available on the Northern Ireland Assembly Online Mapping Portal in the Education and Skills section: <http://niassembly.maps.arcgis.com/home/index.html>

Map 2 below focuses on the greater Belfast area.

Map 3 provides information on the organisations located in and around Belfast City Centre.
