

8th December 2011
AQW 4977/11-15

Daithí McKay has asked:

To ask the Minister of Education to detail (i) the percentage of pupils living in each electoral ward who attend a grammar school; and (ii) in descending order, the position of each ward in terms of the Northern Ireland Statistics and Research Agency's most recent figures in income deprivation.

The information requested is detailed in the table below.

Note:

1. The deprivation ranking of wards is based on the Income Domain rankings outlined in the Northern Ireland Multiple Deprivation Measure 2010 report published in May 2010. The least deprived wards are listed at the top of the table and most deprived at the bottom.
