**CORRECTION TO AQW 1576/10**

I replied on 29<sup>th</sup> October 2009 to AQW 1576/10 in which you asked how much each Department spent providing car parking spaces for public sector workers in (i) 2007; (ii) 2008; and (iii) 2009 to date.

In order to respond to this question my officials had to request part inputs from all departments. I have subsequently been advised by the Department of Rural Development (DARD) of errors in the input received from them.

In the original response issued to the AQ the amount spent by Department by year on car parking spaces for public sector workers was as follows:-

	2007/2008	2008/2009	2009/2010 (to end September)
DEL	£11,280	£11,459	£4,855
DOE	£238,391	£276,366	£165,697
DSD	£203,563	£204,902	£73,147
DRD	£2,971	£1,920	£1,440
DCAL	£15,000	£15,000	£3,750
DETI	£416,000	£405,000	£186,000
DE	0	0	0
DFP*	£1,246,108	£976,775	£499,127
DARD	0	0	0
DHSSPS	0	0	0
OFMDFM	£30,684	£27,380	£1,889

\*Includes spaces leased by DFP on behalf of other Departments

Having now received a revised part input from DARD I can confirm that the amount spent by Department by year on car parking spaces for public sector workers is as follows:-
