Further to your email below, policy officials have advised the following;

It is illegal for wholesalers to sell intoxicating liquor to members of the public. Cash and carry businesses are therefore not included in the Bill.

Art.78 of the Licensing (NI) Order 1996 relates to sales of intoxicating liquor by wholesalers.

A wholesaler (cash and carry) is not permitted to sell intoxicating liquor to anyone other than:-

- The holder of a liquor licence;
- Another wholesaler;
- A public body;
- A club registered under the Registration of Clubs (NI) Order 1996.

I trust this covers the query but do come back to me if there is any further clarification required.

Many thanks
