Date: 26 November 2020
Subject: Licensing and Registration of Clubs (Amendment) Bill

At its meeting on 26 November 2020, the Committee for Agriculture, Environment and Rural Affairs considered your recent correspondence regarding the Licensing and Registration of Clubs (Amendment) Bill.

Members suggested that in taking evidence from stakeholders and witnesses, it may be prudent for the Committee for Communities to check the validity of the statement at paragraph 35 in the Explanatory Financial Memorandum that accompanies the Bill relating to the lack of requirement for a Rural Needs Impact Assessment.
