Dear Janice

LIQUOR LICENSING MAPPING EXERCISE

Thank you for your letter dated 28 January in which you advise of the Committee's request for information gathered by the Department, in respect of an exercise to map the outlet density for licensed premises by town/city.

I have attached the information referred to which was conducted by the Department with the assistance of the Northern Ireland Statistics and Research Agency (NISRA), and shared with the Institute of Public Health in 2018.

Please note that there has been no work carried out on this subject since the exercise was carried out to coincide with the renewal of the licensing period in October 2017. Each licensing period runs for five years.

I hope the Committee will find this response helpful.

Yours sincerely

Diane Mulligan
