If you are responding on behalf of an organisation or business please tell us briefly how it relates to the subject matter of the Bill:

Please provide your comments in the text box below:

1. The Policy Objectives of the Bill

What are your views on the overall policy objectives? Do you think that the Bill will meet those objectives? If not, why not?

Please provide your comments in the text box below:

I agree with changing sections of the Bill and by making the changes it will have a positive impact on NI tourism and hospitality

2. Easter Opening Hours and Additional Permitted Opening Hours

The removal of restrictions at Easter [Clauses 1 & 23]?

Please provide your comments in the text box below:

this is absolutely necessary. The current restrictions are out dated and cause problems across the industry. it's embarrassing that we have such out dated restrictions in place. Easter is a prime time for tourism and the sector must be able to function by serving drinks at bars and restaurants. Just because a minority want to 'protect' Easter for their personal religious reasons doesn't mean they should be allow to tie the hands of a major economy.

Additional permitted hours for certain licensed premises [Clause 2]?

Please provide your comments in the text box below:

I also agree with this for the same reasons as above. We have a thriving tourism industry which must be allowed to flourish. the ability to open later will be essential to build on this industry.

PSNI authorisation for additional permitted hours for smaller pubs [Clause 4]?

Please provide your comments in the text box below:

agree. see above.

“Drinking-up Time” and the Alignment of Alcohol and Entertainment Licences

What are your views on the extension of “drinking-up” time?

Please provide your comments in the text box below:

agree. people rush and buy extra as soon as the bell goes. if this was extended by an hour I think this will stop people drinking extra just because it's nearly time to leave.

What impact do you think it would have on alcohol consumption towards closing time and during ‘drinking up’ time?

Please provide your comments in the text box below:

I think it would stop people ordering extra. if you know you have an order you are going to bang a pint into you so you can get the extra one in within half an hour.

What impact do you think it would have on issues such as anti-social behaviour and crowd dispersal?

Please provide your comments in the text box below:

this is an issue which is already happening due to people speed drinking before closing time. I think it would stop some of these issues if people had an hour.

Do you have any comments on the proposals to align closing time for liquor and entertainment licences [Clause 3]?

Please provide your comments in the text box below:

4. Supporting Tourism, Special Events and Small Producers

Do you think that the provisions contained within the Bill will have a positive impact on hospitality and/or tourism and in Northern Ireland? If so, how?

Please provide your comments in the text box below:

positive impact. people aren't used to our draconian laws and if we want to create a great night out, tourists should be able to enjoy an evening out like they would in any other capital city. our current laws are an embarrassment.

What are your views on the proposals relating to permitted hours for special events [Clauses 6 & 25]?

Please provide your comments in the text box below:

What are your views on the provisions of the Bill that are aimed at supporting small local producers of beer, cider and spirits [Clause 8]? What impact do you envisage this could have on tourism? Do you feel that the regulatory framework, as outlined in the Bill, is sufficiently robust?

Please provide your comments in the text box below:

5. Children and Young People (under the age of 18)

The removal of the requirement of a licensed premises or registered club to hold a children's certificate [Clauses 10 & 26]?

Please provide your comments in the text box below:

Permitting certain premises to hold underage functions; the conditions that must be met; the permitted opening hours; and, proposed enforcement action [Clauses 11 & 27]?

Please provide your comments in the text box below:

Permitting the attendance of young people to remain on licensed premises to attend a private function (e.g. a wedding reception) and the proposed conditions that must be met [Clauses 12 & 28]?

Please provide your comments in the text box below:

this is fine as long as children are made to stay in the designated area and not wander off to other areas of the pub /venue.

The strengthening of the current law around the delivery of alcohol [Clause 9] and the delivery of alcohol to young people [Clause 13]?

Please provide your comments in the text box below:

The prohibition on self-service and sale of alcohol by vending machines [Clauses 15 & 30]?

Please provide your comments in the text box below:

Permitting children and young people to be present in a sporting club to 11:00pm during the summer months (1 June to 31 August) [Clause 29]?

Please provide your comments in the text box below:

no. children should not be allowed to be there until 11pm. people let their kids run wild in pubs and clubs currently and allowing this to go in until 11pm will mean more children being left unattended by adults. clubs and pubs are for adults not children. the current restrictions are fine and shouldn't be extended.

Permitting children and young people to attend an awards ceremony in a sporting club one night per calendar year (until 11pm) [Clause 29]?

Please provide your comments in the text box below:

Overall, do you feel the measures are adequate to protect children and young people from alcohol related harm? If not, why not?

Please provide your comments in the text box below:

6. Alcohol Consumption and Alcohol-Related Harm

What impact do you think these measures will have on reducing alcohol consumption and preventing alcohol-related harm?

Please provide your comments in the text box below:

Do you have any other comments in relation to any other aspect of the Bill in relation to alcohol consumption and alcohol-related harm?

Please provide your comments in the text box below:

7. Regulation, Enforcement, Offences and Penalties

The Bill proposes to allow statutory approval for voluntary industry-led codes of practice in relation to the sale and supply of alcohol in licensed premises and registered clubs [Clauses 19 & 32]. Do you feel these are an effective means of helping to regulate the industry? If not, what alternatives would you suggest?

Please provide your comments in the text box below:

yes. these are adequate

The Bill contains provisions to permit a court, when determining an application for an occasional licence, to impose terms and conditions on the licence with consequences for non-compliance [Clause 18]. What are your views on this?

Please provide your comments in the text box below:

What are your views on the measures in the Bill that would require a body corporate (licensee) to notify the courts and police of any change of directorship (within 28 days) [Clause 20]?

Please provide your comments in the text box below:

Throughout the Bill there are a number of new offences and/or penalties under The Licensing (NI) Order 1996, The Registration of Clubs (NI) Order 1996 and The Betting, Gaming, Lotteries and Amusements (NI) Order 1985. The Committee would welcome any comments you have in relation to any of these.
