Abortion Services Safe Access Zones Bill

- **This bill is fascist, intolerance and unacceptable the group this would harm are Christians and prolife group.**
- **Vigels to what I have seen are peaceful protests**
- **They should be able to have a choice other than a abortions instead of having one**
- **The people who do this care for the woman and baby and do not want harm to them**
- **There is enough waste of tax payer money going into unnecessary things**
- **It would break free speech**
- **Abortion industry is profitable prolife groups are non profit**
