Dear Michelle

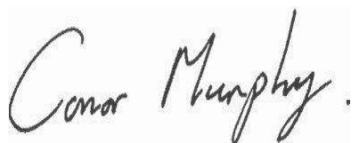

**Decarbonising Road Transport in Northern Ireland**

Thank you for your letter of 25 March 2021 about decarbonising road transport and the move to the use of Ultra Low Emission Vehicles (ULEV).

I have read your letter and I support the decarbonisation of road transport.

My Department only has a few vehicles which it leases or procures for Departmental business and I do not envisage a significant challenge or cost implication, for these vehicles to be replaced with ULEV in the future.

Is mise le meas
