5 February 2021

Dear Mr Brennan,

Public Accounts Committee Evidence Session

Following the Committee's decision to have a short deferral to the commencement of NIAO Report on 'Generating Electricity from Renewable Energy', I am writing to request you attend the Committee's meeting on **Thursday 18 March 2021, at 2:15 pm in the Senate Chamber, Parliament Buildings** to give evidence on this report.

Should this date not suit, an alternative date of **25 March at 2.15pm** is also available for this hearing.

I should be grateful if you would confirm your attendance by **Friday, 12 February 2021** for the date that is most convenient for you.

You indicated previously that yourself and your officials will be attending the evidence session remotely, and I will assume that this is still the case.

Please respond by email using the address above.

Yours sincerely,

William Humphrey MBE
Chairperson
Public Accounts Committee
