Dear Steven,

**Public Accounts Committee Evidence Session: Inquiry into ‘Generating Electricity from Renewable Energy’**

At yesterday’s meeting the Committee agreed to formally invite you to attend in order to provide evidence in relation to the above inquiry.

I am writing to request you attend the Committee’s meeting on **Thursday 22 April 2021, at 2:15 pm in the Senate Chamber, Parliament Buildings.**

You have indicated that Michael Thompson, Managing Director, Everun and Russell Smyth, partner at KPMG will accompany you. Please can you provide email addresses and telephone for these witnesses.

You have indicated that you will be attending the evidence session remotely and I assume this is the case with both Michael and Russell also. Can you also please provide a short biography for each witness.

As previously discussed the purpose of this evidence session is to explore the issues within the Northern Ireland Audit Office’s report on ‘Generating Electricity from Renewable Energy’ and the findings of Renewable NI’s recent report on Wind Turbines.

I should be grateful if you would confirm your attendance by Thursday 1 April 2021 by replying to the email address above.

Yours sincerely,
