8 December 2020

Dear Mr Brennan,

Public Accounts Committee Evidence Session

I am writing to inform you that you are invited to attend the Committee's meeting on **Thursday 28 January 2021, at 2:15 pm in the Senate Chamber, Parliament Buildings**. The subject will be on the NIAO Report on 'Generating Electricity from Renewable Energy'. This report is due to be published in the near future and the focus of the inquiry will be to explore the issues raised in this NIAO report.

I should be grateful if you would confirm your attendance by **Friday, 18 December 2020** and the name of any other officials who will be supporting you at the meeting.

Please provide a short biography and picture for yourself and your supporting officials as background information to the Committee. For Hansard and Video link purposes can you please provide a contact e-mail, office address and telephone number.

Please note that due to current Covid-19 restrictions all witnesses may not be able to be present in the Senate Chamber giving evidence and it may therefore be necessary to have some witnesses attend remotely via video link (Starleaf). This will be confirmed closer to the time.

Please respond by email using the address above.

Yours sincerely,

A handwritten signature in black ink, reading "William J. Humphrey". The signature is written in a cursive style with a large, looping final flourish.

William Humphrey
