Dear William,

Public Accounts Committee Evidence Session - Generating Electricity from Renewable Energy

Thank you for your letter of 8 December 2020.

I look forward to attending the Committee's meeting on Thursday 28 January 2021 in relation to the NIAO Report on "Generating Electricity from Renewable Energy".

I will be accompanied by:

- Richard Rodgers – Head of Energy Group
- Thomas Byrne – Director of Energy Strategy
- Trevor McBriar – Principal Officer, Renewable Electricity

I attach biographies and pictures for all except Trevor, whose I will send on in January.

I trust that this is all in order.

Yours sincerely,
