Dear Mr Agnew

At yesterday's meeting the Committee considered your email dated 14 December 2020 to PAC committee member, Órlaithí Flynn MLA.

You have offered to brief the Committee on your complaint concerning the NI Audit Office's report on 'Generating Electricity from Renewable Energy' and the progress of the KPMG report so far.

The Committee is due to commence its inquiry into this report on the 21st January 2021, with an evidence session scheduled to take place with the Department for the Economy on the 28th January 2021.

Once the Committee has begun their inquiry we will consider your offer at this point.

Yours sincerely,

**William Humphrey
Chairperson
Public Accounts Committee**
