Dear William

Thank you for your letter of 10 March asking for a detailed breakdown and timeline of the £11 million of legal costs relating to the 'A6 Randalstown to Castledawson Dualling Scheme'. My Office does not hold this information and whilst I would be happy to obtain it for you, it could be obtained more quickly if the Committee were to request this information directly from the Department, in advance of the second evidence session on 26<sup>th</sup> March 2020.

Yours sincerely
