25 February 2022

Dear Karen,

Thank you for attending the 24 February 2022 meeting of the Public Accounts Committee.

Further to the evidence given at the Committee meeting, could you please provide details on the following matters:

- The requirement for planning officers to declare interests, that these are robust;
- NILGA's views in respect of standing order legislation and qualified majority voting.

I would be grateful to receive your response by Monday 7th March 2022.

Yours sincerely,

**William Humphrey
Chairperson
Public Accounts Committee**
