PROXY VOTING

You will recall that, in July 2020, the previous Chairperson of the Committee on Procedures wrote to all parties and Independent Members to seek their views on proxy voting and the instances in which proxy voting could be retained on a more permanent basis.

Given that the Assembly business has recently resumed a more normal routine, the Committee agreed to recommence its consideration of proxy voting and to write again to all parties and Independent Members and to give them another opportunity to provide their views.

I would therefore be grateful if you could provide your views by 29 October 2020. Responses should be submitted electronically to committee.procedures@niassembly.gov.uk

Submissions will be published by the Committee unless otherwise indicated.

Any queries should be directed to the Clerk at nick.mitford@niassembly.gov.uk or by telephone on 21205.

Yours sincerely,

**Linda Dillon MLA
Chairperson, Committee on Procedures.**
