

Assessment of needs survey

June 16th 2020

The 
Community
Foundation

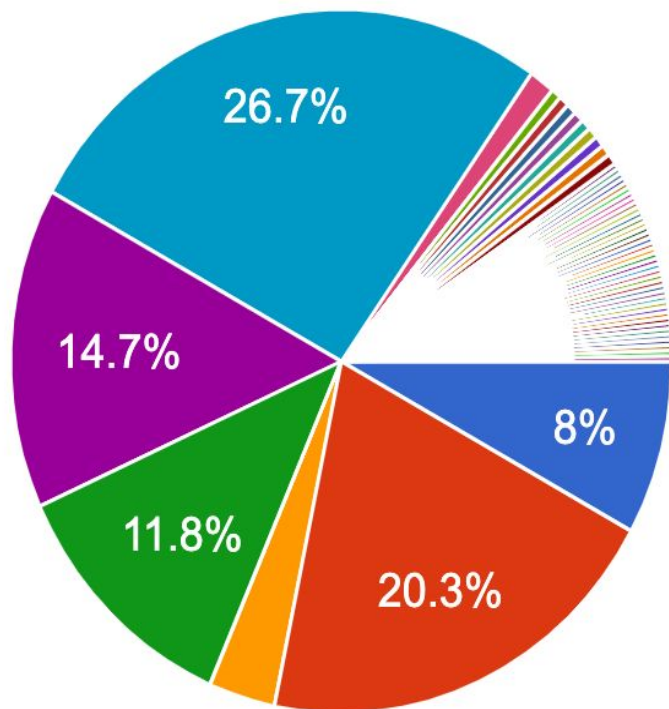

Connecting people who care
with causes that matter

The purpose of the survey is two fold:

- For VCSE organisations to describe and explain the needs and the challenges they are facing in the immediate future amidst the coronavirus outbreak, and
- To provide evidence of need informing why and how we should shape our funding and programme support going forward

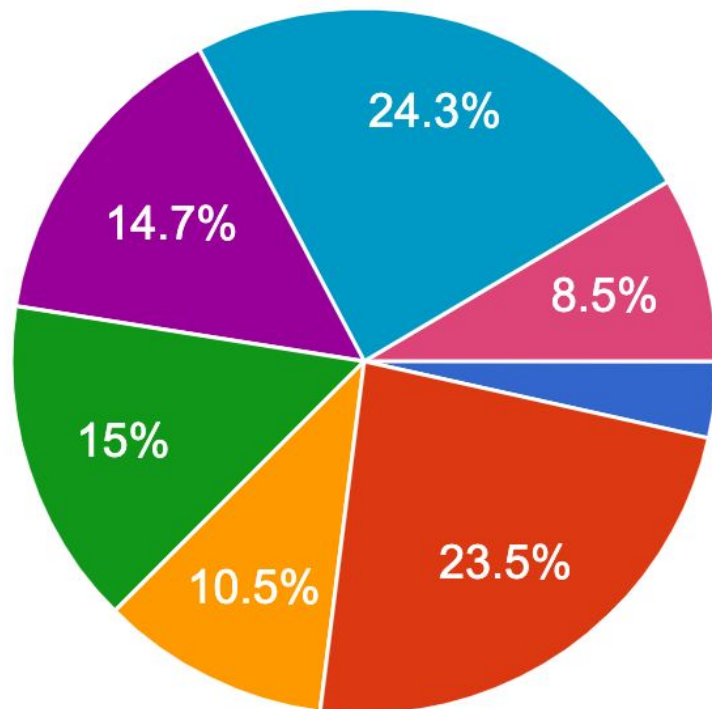

The survey received 400 respondents

Where in Northern Ireland are your beneficiaries based?
