For the attention of the Northern Ireland
Executive.

My parents sent me to Hazelwood I.P.S. because they think I should be Educated with people that is not like me, so that I can learn about different cultures and beliefs.

My name is Bena and I am a pupil at Hazelwood Integrated P.S.
I am shocked to learn that only 7% of all schools in N.I. are integrated.

These are the reasons that ALL schools should be integrated.

There is always someone to talk to if you are worried, you will always be included no matter how different you are and everyone is welcome!

Thank you for taking the time to read this letter.

Kind regards
Bena
