

Hi Aoibhinn,

I hope this email finds you safe and well!

UNISON NI have endorsed the attached Women's Policy Group response to the Period Products (Free Provision) Bill.

However, we would just like to stress the importance of making these products freely available to all staff, in addition, of course, to service users, visitors and pupils using buildings belonging to specified public services bodies. UNISON NI's Women's Committee has been campaigning on this issue for over 30 years, and we're very keen to see that employers make adequate provision for their workers in this area.

I expect this is maybe something that we can feed into during any Departmental consultation on proposed arrangements.

Please accept and pass along our thanks to yourself and all Committee members for your hard work and dedication this year, especially in the face of such a heavy workload! It's much appreciated by our staff and members.

Have a lovely Christmas and new year,

Rebekah
