Dear Michael

COMMON FRAMEWORKS PROGRAMME

Thank you for your letter of 21 January seeking an update on what will happen with Common Frameworks that have not been scrutinised before the expected dissolution of the Assembly in March.

The Common Frameworks Project Board that has overseen development of the Common Frameworks programme is currently considering the options for finalising Frameworks following the Assembly elections. This will include consideration of the process for any Common Frameworks that have not been scrutinised by the relevant Assembly Committee before dissolution.

I will provide a further update once these considerations are complete.

Yours sincerely

COMMON FRAMEWORKS

Dear David,

At its meeting of 19 January 2022 the Committee for the Executive Office considered correspondence from the NIA EU Affairs Manager on the progress of the Common Frameworks Programme. Members raised concerns at the progress of the Common Frameworks, noting that scrutiny of the Frameworks is to be completed by the expected dissolution of the Assembly in March 2022.

Members agreed that I write to you to ask what happens with the Frameworks which have not been scrutinised by the Assembly before dissolution.

Best regards

Michael Potter Clerk to the Committee for the Executive Office
