

The Health Committee Clerk
Room 419
Parliament Buildings
Ballymiscaw
Stormont
Belfast BT4 3XX

11 September 2021

Dear sirs

I refer to the consultation re opt Out System for Organ Donation in N. Ireland and wish to state my disapproval of the proposed Bill.

I do not accept that the State owns my body and I therefore believe that organs should only be removed from my body after death based on my declared request and agreement. I sincerely trust that the proposed bill should not proceed as it is an interference into that which is private to me.

Yours sincerely
