Subject: Call for Evidence - Justice (Sexual Offences and Trafficking Victims) Bill

Hi Christine,

I am mailing in reference to the above letter sent to our Chairperson and followed up by our CEO Matt English.

Although a response is not necessary we felt as an organisation it was important to send our support for the bill. Whilst we have no legal expertise we are keenly interested in the progress of the bill from the position of implementing Safeguarding measures and incorporating information into our education programmes.

If you require any specific input, concerning intellectual disability, please do not hesitate to get in touch.

Kind regards,

Amanda Ní Ghabhann
