Dear William

**PUBLIC ACCOUNTS COMMITTEE EVIDENCE SESSION: 22 OCTOBER 2020**

Thank you for your letter of 2 October 2020 inviting me to attend a further evidence session regarding the LandWeb Project and Digital Transformation reports on Thursday 22 October 2020, at 2.00pm in the Senate Chamber, Parliament Buildings.

I note the Committee have further questions following on from the previous evidence session on 24 September, and that they plan to explore what had gone wrong in the past and what lessons have been taken on board to seek improvements in the future. I am very happy to confirm my attendance at the meeting, along with Paul Duffy and Ian Snowden who both attended with me previously.

In the meantime, I also note you have requested some additional information which we are currently pulling together and will aim to have this with you by 16 October as requested.

I look forward to seeing you on 22 October and hope we can provide the further information and clarity the Committee is seeking on these issues.

Yours sincerely

**SUE GRAY**
