Dear Kevin

**RE: ORAL EVIDENCE – THE LICENSING AND REGISTRATION OF CLUBS  
(AMENDMENT) BILL**

Thank you for your letter dated 24 October 2016 requesting an initial response to issues that were raised during our evidence session on 20 October 2016.

You will be aware that, whilst I agreed to update the Committee on these points, I also pointed out there was significant work required in some as they were fairly complex issues and this has turned out to be the case.

Whilst we are making progress, a few of the queries are still outstanding and in addition responses are awaited from a number of external sources.

Although we are keen to respond to the Committee as soon as possible we want to ensure that this information is both accurate and up to date. As a result, I hope to be in a position to issue a full response to the Committee within the next ten days.

Yours sincerely
