

Section 6

Key Challenges

The Commission has set a number of challenges for the next 12 months:

- To implement a bespoke pay and grading/terms and conditions package;
- To further enhance the Assembly's education programme across the wider community;
- To implement an equality scheme under section 75 of the Northern Ireland Act 1998;
- To meet the Assembly's statutory obligations under the Disability Discrimination Act 1995, the Freedom of Information Act 2000 and the Occupational Health and Safety Act 1985;
- To address the outstanding recommendations from the Senior Salaries Review Body Report;
- To review the overall corporate governance arrangements;
- To further develop the Ormiston House project; and
- To review the existing arrangements for seconded staff with the Northern Ireland Civil Service.
