Assembly Commission Corporate Strategy
2023 - 2028

Northern Ireland Assembly

Our Role

The Assembly makes laws, scrutinises the work of the Executive and represents the views of the public

It is the prime source of authority in respect of all devolved responsibilities

The Assembly Commission enables the successful operation of the Assembly by delivering excellent services

We do this to uphold a peaceful, inclusive and democratic society

Our Priorities

The Assembly will be empowered to achieve its full potential

Our systems and facilities will be modern, secure and efficient

The public will understand and value the role of the Assembly and be engaged in its work

Our staff will be a motivated, resilient and expert team

Our Values

Excellence
Positivity
Integrity
Collaboration

Our Priorities

The Assembly will be empowered to achieve its full potential	The public will understand and value the role of the Assembly and be engaged in its work	Our staff will be a motivated, resilient and expert team	Our systems and facilities will be modern, secure and efficient

Our Objectives
