**Subject:** IFRP CORRESPONDENCE

[REDACTED]

Could you have a look at the attached correspondence from IFRP regarding the payment of salary to MLAs who are also Councillors? I understand that most, if not all, of our Members have relinquished their Council seats but could I ask you to check whether we have any Members who still serve as Councillors? If so, could you please apply the Determination as per the IFRP note?

If you require any further clarification, please give me call.

Many thanks

Richard
