Dear Peter

**RE: ETI AND SCHOOL IMPROVEMENT INQUIRY – ORAL EVIDENCE SESSION**

Thank you for expressing your appreciation to Janette McNulty and myself for our briefing on 6 November 2013 as part of the Committee for Education inquiry into the Education and Training Inspectorate and the School Improvement process.

We had noted that the Committee had agreed to seek additional clarification regarding three points and I will certainly do my best to get back to you by your deadline date of 22 November 2013, earlier if possible.

Yours sincerely

**TONY McMULLAN**  
Assistant Secretary
