

**PARENTS OUT LOUD ETI RESPONSE TO VALIDATION REQUEST UNDER FOI date 2 January 2014**

Note:

1. Primary inspection reports refer to what were previously known as: primary focused inspection reports and short inspection reports as well as primary follow-up inspection reports and reports on current primary inspections.
2. Post-primary inspection reports refer to what were previously known as: post-primary focused inspection reports, new model post-primary inspection reports, standard post-primary inspection reports, specialist school post-primary inspection reports, as well as post-primary follow-up reports and reports of current post-primary inspections.
3. Prior to 2007, records were held manually. Therefore the cost of providing more detailed information on inspections prior to 2007 would be disproportionate.
4. ETI's validation/insertions are in red.

<b>Table 3: Frequency of sample of school inspection reports published on ETI website (Dec 2013) (all schools are situated in Omagh area)</b>				
<b>Primary School</b>	<b>Most recent focused or primary inspection report (excluding specialist reports e.g. library facilities, and short inspections)</b>	<b>Previous focused inspection report</b>	<b>Length of time between focused or primary inspection reports</b>	<b>Length of time since last focused or primary inspection report</b>
