Subject: Post –School Provision for individuals with Learning Disabilities

At its meeting on 15 January 2014, the Committee for Employment and Learning agreed to undertake an inquiry into post Special Educational Need Provision in education, employment and training for those with Learning Disabilities in Northern Ireland. The Terms of Reference for the Inquiry are attached.

Given the cross-cutting nature of this issue the Committee agreed to seek submissions from all Statutory Committee's and Government Departments. I would be grateful if you would bring this to the attention of your Committee and provide a submission to the Inquiry by 21 March 2014.

A letter has issued to your Department providing it with the Terms of Reference and requesting a submission.

Further information on the Inquiry can be found on the Committee for Employment and Learning website at <http://www.niassembly.gov.uk/Assembly-Business/Committees/Employment-and-Learning/Inquiries/Inquiry-into-post-Special-Educational-Need-Provision-in-education-employment-and-training-for-those-with-Learning-Disabilities/>.
