10 September 2015

Dear Mr Strong,

**Sale of NAMA Assets in Northern Ireland**

I write with reference to our previous email communications on 17 July 2015, in which you confirmed that Cerberus would hold the date of 23 September to provide an oral briefing to the Committee on the current operations of Ceberus in Northern Ireland and that Cerberus would also be happy to attend a hearing on the Committee's Review of the Sale of NAMA Assets in Northern Ireland.

The Committee still has the oral briefing session scheduled in its work programme for the agreed date of 23 September and, at their meeting on 16 September, members will review how they wish to proceed with the further evidence sessions in relation to the Review.

In the meantime and as previously indicated, I should be grateful if you would ensure that any briefing material along the names and job titles of the Cerberus representatives attending is received by no later than noon on Wednesday, 16 September 2015. Further details on the time of the briefing and guidance to witnesses will follow.

Naturally should you have any questions then please do not hesitate to contact us.  
Yours sincerely,

**Shane McAteer**  
**Committee Clerk**
