Dear Mr Daley,

The work of NAMA in Northern Ireland

At its meeting on 19 February 2014, the Northern Ireland Assembly Committee for Finance and Personnel agreed to formally invite representatives from the National Asset Management Agency (NAMA) to present to the Committee on the work of NAMA in Northern Ireland. This would be in the context of the Committee's statutory role in advising and assisting the Minister of Finance and Personnel in Northern Ireland and in terms of its general interest in the local economy.

I attach for your convenience a copy of the 'Guide for Witnesses Appearing before Assembly Committees', together with details of the membership of the Committee and staff contact details for your information.

I would be grateful if you could liaise with me to indicate suitable dates in order for me to formalise this into the Committee's work programme.

If you have any queries or require further assistance, please feel free to contact me.

Yours sincerely,

Shane McAteer
