Dear Malcolm,

Review of the Sale of the National Asset Management Agency (NAMA) property loan portfolio in Northern Ireland

As you may be aware, the Committee for Finance and Personnel is currently undertaking a fact-finding review to the operations of NAMA in Northern Ireland, including the 'Project Eagle' sale and related policy and regulatory issues that fall within the Department of Finance and Personnel (DFP) remit. The terms of reference for this review can be found [here](#).

At its meeting on 20 August 2015, members indicated an awareness of a communication issued by your office to the Permanent Secretaries in light of the investigation currently being undertaken by the National Crime Agency (NCA) and agreed to request a copy of this document.

I would be grateful for a response by no later than noon on Wednesday, 26 August 2015.

Yours sincerely,

Daithí McKay MLA
Chairperson, Committee for Finance and Personnel
