Dear Mr Whelan,

The work of NAMA in Northern Ireland

At its meeting on 26 March 2014, the Northern Ireland Assembly Committee for Finance and Personnel considered your response regarding the invitation to the National Asset Management Agency (NAMA) to present to the Committee on the work of NAMA in Northern Ireland.

As you will be aware, the Committee has a statutory role to advise and assist the Minister of Finance and Personnel in Northern Ireland and has a general interest in the local economy. Therefore, the Committee agreed that I should respond by requesting that you give an indication of when NAMA will be in a position to provide an oral briefing to the Committee.

Members also requested that, in the meantime, a written briefing be provided outlining what assets NAMA currently owns in Northern Ireland, broken down on a county-by-county basis.

If you have any queries or require further assistance, please do not hesitate to contact me.

Yours sincerely,

Shane McAteer
