Dear Daithí

**REVIEW OF THE SALE OF THE NAMA PROPERTY LOAN PORTFOLIO IN NORTHERN IRELAND**

You have asked about the rationale for collating the documentation relating to the sale of the NAMA loan portfolio.

In my correspondence of 30 and 31 July I advised Permanent Secretaries that the collation of information was to assist investigations into the matter. That was the rationale for my request.

I hope this is helpful.

Yours sincerely

**MALCOLM McKIBBIN**
