Dear Gearóid,

Review of the Sale of NAMA assets in Northern Ireland

At its meeting on 4 November 2015, the Committee for Finance and Personnel received evidence from DFP officials, including the Permanent Secretary, in relation to the above Review.

During this session it was agreed that the DFP officials will provide an urgent follow-up response to specific queries raised during the discussions in relation to the names of individuals being redacted from certain papers provided by the Department to date. It was also agreed that the DFP officials will provide follow-up clarification on what records DFP holds of conference calls between the previous DFP Ministers and NAMA/Department of Finance (Republic of Ireland) and on which departmental officials were present during these calls.

For further detail on these follow up matters, the officials may wish to refer to the full transcript of the proceedings of the meeting which can be found at the following link: <http://data.niassembly.gov.uk/HansardXml/committee-15673.pdf>

I should be grateful if the DFP response to these issues can be provided as soon as possible. Please do not hesitate to contact me if you have any questions or need for clarification.

Yours sincerely,

Shane McAteer
