Subject: Response from Presbyterian Church in Ireland to the LCM

Clairita - thank you for the opportunity to respond to the consultation on the LCM on Marriage - Same Sex Couples Bill.

I understand that the deadline for responses is today, and hope that you receive this in time for your own deadline!

The Presbyterian Church in Ireland supports the LCM, not least because we regard it as a very necessary Motion to help safeguard our current marriage legislation here in NI.

(Very Rev Dr) Norman Hamilton OBE DD DUniv

Co-Convener of the Church and Society Committee of the Presbyterian Church in Ireland
