Dear Jonathan

Health (Miscellaneous Provisions) Bill- proposed amendment

At its meeting on 9 December 2015, the Committee for Health, Social Services and Public Safety referred to the Minister's announcement that he intends to bring forward an amendment to the Health (Miscellaneous Provisions) Bill to ban smoking in cars with children.

The Committee agreed to write to the Department to seek further details on the amendment, the action he intends to take in relation to the amendment and the likely timescale for tabling.

I should be grateful for a response within 10 working days of receipt of this letter.

Yours sincerely

Marie Austin
