

BUDGET BILL

EXPLANATORY AND FINANCIAL MEMORANDUM

INTRODUCTION

1. This Explanatory and Financial Memorandum has been prepared by the Department of Finance and Personnel, in order to assist the reader of the Bill and to help inform the debate on it. It does not form part of the Bill and has not been endorsed by the Assembly.
2. The Memorandum should be read in conjunction with the Bill. It is not, and is not meant to be, a comprehensive description of the Bill, and where a clause or part of a clause does not seem to require any explanation or comment, none is given.

BACKGROUND

3. Budget Bills are the legislative means by which Assembly approval will be sought for departments and certain other public bodies to incur expenditure and use resources as detailed in the corresponding Estimates volume and summarised in the Schedules to the Bills. Furthermore, the Budget Bills will enable the Assembly to hold departments accountable for managing and controlling those resources within the limits authorised.
4. The Budget Bill will not only authorise the use of resources but contains powers to authorise the issue of sums of cash from the Northern Ireland Consolidated Fund to departments and other public bodies and appropriate those sums to services. Budget Bills also set the relevant limits on the accruing resources that may be directed to be used for purposes specified in the Schedules to the Bill. Accruing resources are divided into two categories: a) operating accruing resources, which is resource income offset against the gross resource expenditure and b) non-operating accruing resources, which is capital income, mainly relating to the sale of assets, and offset against gross capital spend.
5. Estimates volumes and other relevant documents are published so as to be available when Budget Bills are introduced in the Assembly. Separate Budget Bills will be introduced relating to the Main Estimates (initial voted provision for a financial year) and subsequent Supplementary Estimates which revises that initial provision as a result of the in-year monitoring rounds. The Budget Bill

relating to the Supplementary Estimates will also provide interim resources and funding (around 45%) for the first few months of the next financial year.

PURPOSE

6. The Bill will authorise the use of resources for both 2013-14 and 2014-15. For 2013-14 a total revised amount of £16,606,564,000 will be authorised and for 2014-15 a Vote on Account of £7,545,788,000 is taken to provide departments and public bodies with provision for the early months of 2014-15, until the Main Estimates are voted in the summer. The Bill will revise the limits as set in the Budget (No. 2) Act (Northern Ireland) 2013 on the amount of accruing resources, including both operating and non-operating accruing resources, that may be directed to be used for certain purposes for the year ending 31st March 2014. The Bill will also authorise the issue of cash from the Consolidated Fund in support of services for both 2013-14 and 2014-15. For 2013-14 the Bill will authorise a total revised amount of £15,530,883,000 which is detailed in the 2013-14 Spring Supplementary Estimates. For 2014-15 a Vote on Account of £7,062,352,000 is taken. In addition, the Bill will authorise temporary borrowing up to £3,531,176,000 in 2014-15 by the Department of Finance and Personnel.
7. The sums to be issued from the Consolidated Fund of Northern Ireland for the year ending 31st March 2014 are to be appropriated for services, as set out in Schedule 1 to the Bill.
8. The amount of resources (including accruing resources) authorised for use for the year ending 31st March 2014 are to be used for the purposes specified in Schedule 2 to the Bill.
9. The sums to be issued from the Consolidated Fund of Northern Ireland for the year ending 31st March 2015 are to be appropriated for services as set out in Schedule 3 to the Bill.
10. The amount of resources authorised for use for the year ending 31st March 2015 are to be used for the purposes specified in Schedule 4 to the Bill.

COMMENCEMENT

11. The legislation will come into operation on Royal Assent.
