Dear Michaela

RE: PAC EVIDENCE SESSION - ADVANCED LAND PURCHASES

Your letter of 1st May 2015 refers.

I have been in touch with the Chair of Choice Housing (formerly Oaklee Trinity Housing Association) and he has advised that subject to any unforeseen cause for a delay the investigation is due to complete with an initial report available at the end of May 2015.

As soon as the report is available I will forward a copy to you for consideration by the Committee.

Yours sincerely

A handwritten signature in black ink that reads "Andrew M. Hamilton".

ANDREW HAMILTON
