Public Accounts Committee Evidence Session – Request for Follow-Up Information

Dear David,

I wish to thank you and your officials for attending the Public Accounts Committee meeting on Wednesday, 3 February 2016. The meeting was extremely beneficial in providing the opportunity to discuss concerns and issues arising from the Audit Office report into Invest to Save funding in Northern Ireland.

During the meeting you advised the Committee that a total of £400 million was saved as a result of the implementation of the Invest to Save initiative. Please can you provide a full breakdown on how this figure was calculated.

Please highlight in your response any redactions or restrictions on information that you provide to the Committee as this will be published as part of our inquiry.

If you are responding by email please use the email address above. I would request a response on the above issues by **19 February 2016**.

Yours sincerely,
