### **CORRECTION TO AQW 2077/11-15**

I replied on 28<sup>th</sup> November 2011 to AQW 2077/11-15 in which you asked at part (i) to detail the number and cost of car parking spaces provided for civil servants, broken down by each town and city; and (ii) when each allocation was last assessed to determine whether the space was essential.

In order to respond to this question my officials had to request part inputs from all departments. I have subsequently been advised by the Department of Rural Development (DARD) of errors in the input received from them.

In the original response issued to the AQ, the number and cost of car parking spaces provided for Civil Servants was as follows:-

<b>TOWN/CITY</b>	<b>NUMBER OF SPACES</b>	<b>TOTAL</b>
Belfast	1,006	£997,583
Londonderry	8	£3,200
Lisburn	19	£5,180
Omagh	93	£22,912
Armagh	29	£3,999
Banbridge	30	£6,399
<b>TOTAL</b>	<b>1,185</b>	<b>£1,039,273</b>

Having now received a revised part input from DARD I can confirm that the number and cost of car parking spaces provided for Civil Servants is as follows:-

TOWN/CITY	NUMBER OF SPACES	TOTAL
Belfast	1,017	£1,000,541
Antrim	2	£840
Londonderry	8	£3,200
Lisburn	19	£5,180
Omagh	93	£22,912
Armagh	29	£3,999
Banbridge	30	£6,399
<b>TOTAL</b>	<b>1,198</b>	<b>£1,043,071</b>

I apologise for any inconvenience this may have caused.

I have copied this letter to the Speaker and all MLAs. A copy has also been placed in the library.

**SAMMY WILSON MP MLA**
