Dear *Roy*

You recently asked the following supplementary question to an Oral Assembly Question (3255/11-15) for answer on 29 January 2013: "There has been a scarcity of education outreach courses provided by the Northern Regional College in Larne, Carrickfergus and Moyle district council areas. Will the Minister assure me that new capital investment will not occur at the expense of education outreach courses where there is underprovision?"

In my response, I agreed to discuss the matter with the Northern Regional College. I have since arranged a meeting with the College's Senior Management in Larne, on the 28th February, to discuss estates issues and will raise the Larne, Carrickfergus and Moyle outreach issues with them. I will provide a further follow up after that meeting.

Yours sincerely
